## COMPLAINT

NOW INTO THE COURT, comes Mr. R. Ceasar, plaintiff in this matter who states that Brookshire Brothers Grocery of Louisiana FALSELY reported bad checks in the chek system reports to all participating grocery vendors in association wrongfull with reckless disregard for the truth and prescription law and plaintiff further avers that:

1.

On two occasions within the last 6 months of this writing Bookshire Brothers operating in the State of Louisiana with affiliates such as Super 1 Foods of Louisiana FALSELY accused Mr. Ceasar, plaintiff of writing bad checks in reckless disregard for the TRUTH AND PUT IN CHEX SYSTEMS REPORTING TO NATION!

2.

This has cause irreparable harm for it is an fund check written to Super 1, but was for only 29.14 and was paid in full, including attached fees added. That is it. Nothing more. Unbelievable that such a huge company could act with wanton reckless disregard in fair and accurate reporting to chek systems, and other similar entities.

3

Super 1 Stores in Lafayette accepted the computer reports and valid and turned Mr. Ceasar away who was purchasing food to eat. Unconscionable and malicious reckless disregard even after plaintiff pleaded that this was a gross and serious error to each store manager. The managers seemed unimpressed with Mr. Ceasar's plea for verification from Brookshire Headquarters or Chex Systems to no avail and was severely damaged!

Plaintiff, prays that this honorable court issues a temporary restraining order (TRO) and emergency preliminary injunction to stop the retaliatory measures instituted by Brookshire Brothers immediately, set this matter for an expedited hearing, after serving all parties , order a TRO to cease and desist until court findings. Plaintiff further requests compensatory damages in the amount of \$500,000 and punitive damages of \$10,000 for ~~gross and willful conduct~~ and requests a trial by jury.
